

# Reform Club Dress Code

The Reform Club operates a smart dress code. Please note any decision regarding the suitability of a member's appearance will be entirely at the discretion of the Front of House team. Any member who does not comply with the dress code or is not sufficiently well-presented may be refused entry to the Club. Members are also responsible for ensuring that their guests comply with the dress code at all times.

Male members are required to wear a jacket and shirt with full collar. Ties are encouraged but not required. Female members are required to dress with similar formality. Recognised national and religious dress and service dress uniform is accepted at any time.

As a guide, the following are unacceptable items of dress:

## **Clothing**

All denim, sportswear including polo shirts, vest tops, jodhpurs or leggings, cropped tops, sweatshirts, shorts and other similar attire.

## **Footwear**

Trainers, hiking boots, sandals, flip-flops, hiking boots, deck shoes and other similar sports style footwear.

Jackets can be removed at any time in the summer months of June, July and August and at any time in the Garden, Study, Billiards and Card Rooms or during breakfast in the Coffee Room. The dress code is relaxed at the weekend after breakfast on Saturday.
